

Tree of Light

Drayton's Tree of Light Memorial is a way to remember and honor deceased loved ones during the Christmas season. We invite you to the Tree of Light memorial service to be held during **Old Fashioned Christmas, December 7, 2013**, when loved ones will be recognized and a candle lit in their memory. To symbolize the remembrances through the holidays, the large Christmas tree in Heritage Square will shine with white lights and names of those remembered will be displayed alongside. **New this year will be a pictorial memorial, so please send in a photograph if you can.**

A donation is suggested for each honoree. Any gift is welcomed and proceeds go to our own **Drayton Area Community Foundation**, a new permanent endowment fund that to date has awarded grants totaling \$13,228.00 for non-profit needs in the Drayton area. **Every donation will be matched** by money from the ND Community Foundation, nearly doubling your gift's impact in the community.

Deadline is **DECEMBER 2**. Please use the form below; copies and information are also available at KodaBank 454-3317, online at www.draytonND.com or by emailing dacf@draytonnd.com.
